

### Mrs Butler's Requirements

*Your mistress, Mrs Butler, has asked you to do some shopping for her.*

### Old Money

*Pounds (£), shillings (s) and pence (d)*

*There are 12 pence (d) in a shilling (s).  
There are 20 shillings (s) in a pound (£).*

$$12d = 1s \text{ (or } 1')$$

$$20s = £1$$

*To start with, test your understanding of the money you have, using the 'Old Money' key in the top right hand corner.*

*How many shillings are in £3?*

**60s**

*How many pence are in 4 shillings?*

**48d**

*If you have 65 pence, how many pounds, shillings and pence would that be? Write it in the abbreviated form (£-s-d).*

**£0 - 5s - 5d**

*If you have 245 pence, how many pounds, shillings and pence would that be? Write it in the abbreviated form (£-s-d).*

**£1 - 0s - 5d**

*Now find the items Mrs Butler has asked for from around Kirkgate. Find out how much they cost and write down the prices.*

*Please acquire...*

***Tea***

*George Britton has a poster up by the Cocoa Rooms telling you of his tea prices.*

*How much will it cost to buy two packs of the best tea?*

$$2 \times 3s = 6s$$

***Tins of salmon***

*How much will three tins cost?*

$$3 \times 9d = 27d = 2s \ 3d$$

***Linen thread***

*How many bobbins of thread can you buy for 10d?*

$$5 - \text{they are } 2d \text{ each}$$

***In Ambler's grocers Isaac Dickenson owes money***

*Isaac has a 'slate' showing that he owes a total of 11d. If he spends another 3d on Tuesday, how much will his total be? Write this in shillings and pence.*

$$14d = 1s \ 2d$$
