strange

Something
made of wood

How to use York Castle Museum Quest

The quest can be used in several ways; we suggest you choose one way for each time you visit to avoid confusion:

- Spot one thing to match a description in each area of the museum to make the sheet last for your whole visit
- Take photos of the things that match the descriptions
- Draw pictures of the things that match the descriptions
- Write a list of the things that match the descriptions
- Count how many things match a description in one area
- Count how many things match a description in the whole museum – keep a record
- Find an object that matches two or more descriptions
- Come up with your own list of descriptions for your favourite object
