

York Castle Museum

Raindale Mill at York Castle Museum

What will you be doing?

You will be helping us to open up an historic water mill for the public to enjoy. You will run the mill mechanism whilst chatting to visitors about the history of the mill and milling in the region.

What will you gain from volunteering here?

Meet people

Not only will you chat to the public but you will join a team of volunteers, get to know museum staff, and will have access to a range of volunteer events.

Learning something new

With specific training you will learn about the history of the mill and how to run it safely.

Helping others

You will help visitors to engage with history and give them a great visitor experience.

Get Active

Visit the Mill and the gardens regularly to enjoy this hidden space of history and tranquillity.

Who are we looking for?

You do not need to know anything about the collections. If you are over 18, are available for a minimum of 3 hours a week, plus an initial training session, and can say yes to the following questions:

- I am friendly and enthusiastic and like talking to people
- I want to learn more about history and tell visitors about the collections
- I enjoy being part of a team

Then do [apply online](#).

When can you volunteer?

We have sessions from 11:00am until 2:00pm every day of the week and you choose sessions to suit your own schedule.

Who can you talk to about volunteering?

You can either apply online or if you have a specific question you can email the Volunteers Coordinator at:
