# How to fold a zine!
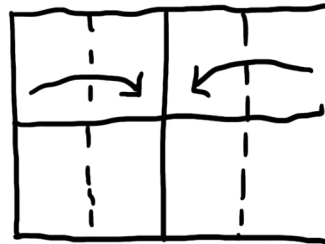

A4 paper

1. Fold it in half lengthways.

2. Fold in half widthways.
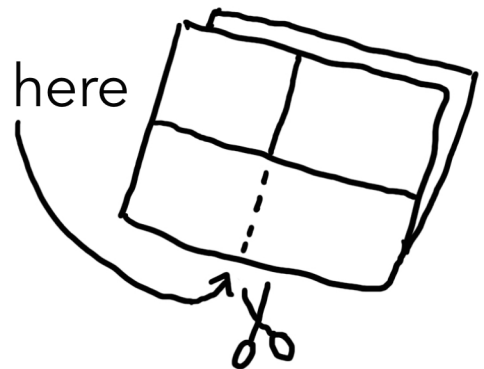

3. Fold each short side into the middle.

4.

4	3	2	1
5	6	Back cover	Front cover
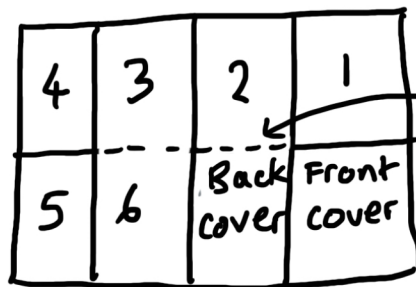

Cut here

5. Fold paper in half lengthways again. Hold each end, push them towards one another. This will form a cross shape.
