SUPPORTERS SECURE THE FUTURE OF YORK MUSEUMS TRUST

Our vision is to work together with audiences and communities to inspire, to share and to care for cultural heritage. By becoming a Supporter you will be helping York Museums Trust, as a charity, to deliver this vision.

By sharing art, culture, stories and history, we can change lives through the inspiration our collections offer. Your support of £7 per month can help York Museums Trust achieve this. Supporters secure the future of York Museums Trust as an important centre for the region's cultural, historical and artistic endeavours.

In return for your commitment, you can enjoy unlimited access to the very best of York's past, present and future. Explore Jurassic, Roman and Viking history at the Yorkshire Museum, find a restful spot in York Museum Gardens, see the very best national and international art at York Art Gallery or take a deep dive into the social history of our city and region at York Castle Museum.
